Meteorological Situation

High pressure is over the North Sea today while low pressure remains out over the Atlantic. Moderate to fresh winds are forecast over Orkney through today and into early tomorrow. Winds are expected to drop late tomorrow and then remain relatively calm towards the end of the week. A dry day can be expected today with a few sunny spells before rain moves in for much of tomorrow.

Summary next 72 hrs: Wind: ESE-ly, moderate, increasing to fresh breeze (risk of strong breeze), and abating to light on 24 August, whilst backing. Visibility: moderate/poor to moderate for periods. Sea temperature: 13-14C.
