Meteorological Situation

Low pressure near to Iceland is forecast to influence through the next couple of days. Through the weekend it is expected to pass close to Shetland as it heads towards Scandinavia. Winds are forecast to strengthen through Saturday with near gale force, possibly gale force, winds expected over Orkney. Any rain this morning is expected to die out and leave a mostly dry afternoon.

Summary next 72 hrs: Wind: S-ly, fresh breeze, increasing to near gale on 24 June 15 UTC (risk of gale), and abating to light on 26 June. Sea temperature: 11-12C.

Warnings
