A full Pilotage charge will be levied when a vessel subject to compulsory pilotage is moved without the use of an authorised Pilot or Pilotage Exemption Certificate holder.

Where a vessel movement is a tow involving two or more vessels, the charge for pilotage for a single vessel movement will be regulated by the overall distance between the extreme ends of the vessels concerned and by the draught of the deepest vessel.

At least two hours' notice is required for orders for Pilotage.

Detention Fees will apply to any occasion that a Pilot is kept on board a vessel over and above the period of time for a normal act of pilotage, currently assessed as 4 hours, whether or not actively engaged in pilotage duties during that extended period, unless otherwise agreed by the Harbour Master.

A Deck Officer (As defined in the Marine Navigation Act 2013) may obtain Pilotage Exemption Certificates from the Authority, as the Competent Harbour Authority, subject to certain conditions and requirements.
