## **Draft Masterplan for Orkney Harbours**

### **The Environmental Assessment (Scotland) Act 2005**

Under Section 8(1) of the above Act Orkney Islands Council has formally determined, in consultation with Historic Environment Scotland, the Scottish Environment Protection Agency and Scottish Natural Heritage that through the implementation of a Draft Masterplan for Orkney Harbours there is potential for proposals developed as part of the Masterplan to have a significant effect on the environment.

The Draft Masterplan for Orkney Harbours will therefore undergo strategic environmental assessment and the findings will be presented in an environmental report.

Copies of this determination and the associated Statement of Reasons are available from Orkney Islands Council Customer Services, Council Offices, School Place, Kirkwall, Orkney KW15 1NY, as well as the Council's website at [www.orkney.gov.uk](http://www.orkney.gov.uk).
