

Notice to Mariners Offshore Operations at Falls of Warness

Organisation submitting information Marine Operator: Green Marine(UK) Ltd.

Contact Details Office: 01856 851966

1.1 Details of works programme including period & purpose

Green Marine(UK) Ltd will execute marine operations which includes dive works at Berth 7, Falls of Warness, EMEC Tidal Test Site.

Vessels operating on site:

Green Isle

Green Quest

The Green Isle will be moored in-line with the tide on a 4-point and 3-point mooring spread. Moorings will be onsite for the duration of the operation. The Green Isle will be assisted by the Green Quest and GM RIB. The Green Quest will carry out any required crew transfers. The works will be carried out between 30/11/2019 and 11/12/2019.

1.2 Location

Berth 7, Falls of Warness, EMEC Tidal Test Site.

1.3 Details of lights, buoys and other navigational aids

Due to the nature of these operations, the Green Isle will hold position on a 4-point mooring spread & a 3-point mooring spread. The anchor positions are provided below:

4-Point Mooring Spread:

Anchor 1: 59° 09.276'N 02° 49.814'W	Anchor 2: 59° 09.215'N 02° 49.986'W
Anchor 3: 59° 09.182'N 02° 49.685'W	Anchor 4: 59° 09.120'N 02° 49.857'W

3-Point Mooring Spread:

Anchor 1: 59° 09.387'N 02° 48.226'W	Anchor 2: 59° 09.306'N 02° 48.099'W
Anchor 3: 59° 09.283'N 02° 48.239'W	

Yellow marker buoys (Fl.Y.4S) will be attached and have a moving radius of 51m from the above positions. The buoys may temporarily submerge at peak tide times.

INSTRUCTIONS TO VESSELS

Vessels involved will be keeping continuous listening watch on Channel 16 and will display appropriate lights and marks as required by International Rules for Preventing Collisions at Sea.

Mariners are requested to give the area a wide berth.
