NOTICE TO MARINERS

No 02/2020

Date 17/01/2020

DEVICE ASSEMBLY – Hatston Pier

Leask Marine Ltd will be carrying out assemble works of a marine device and deploying into water at Hatston Pier. Works involve crane operations. Works will be on the pier berth 3 and in the water.

Works will commence on Monday 20th January and last up to 6 days

Mariners are requested to give the operation clear berth space in agreed areas during the works.
