| Marine Operations | | | |
| Wednesday 12th August – Thursday 13th August | | | |
| The Forth Warrior will tow the Penguin WEC II departing Hatston pier and will conduct tow trials through Shapinsay Sound and returning to Hatston pier on the same day. The Forth Warrior will have restricted manoeuvrability during the tow trials. | | | |
| Location | | | |
| Hatston Pier and Shapinsay Sound. | | | |
| Vessels Operating on Site | | | |
|  <p style="text-align: center;">FORTH WARRIOR</p> | |  <p style="text-align: center;">PENGUIN WEC II</p> | |
| Positions of maximum extent of projected works | | | |
| Tow trials will be carried out between Hatston Pier and East through Shapinsay Sound. | | | |
| Instructions to Vessels | | | |
| Vessels involved will be keeping continuous listening watch on Channel 16 and 11 and will display appropriate lights and marks as required by the International Rules for Preventing Collisions at Sea. Mariners are requested to give the operations a wide berth. | | | |
