NOTICE OF MARINE OPERATIONS

Mariners are advised that ROV Support Vessel NORTHERN VICTORIA will be carrying out operations using a Remote Operated Vehicle (ROV) in the vicinity of the task location shown below:

Latitude	Longitude
58°50'49" N	03°31'25" W

Operations are expected to take place over a 24hr period (subject to weather and sea state) in the month of August. Operations will be carried out on a 24hr basis.

During operations, the vessel will be restricted in its ability to manoeuvre; appropriate day marks/ lights will be displayed.

Passing vessels are requested to give a wide berth, passing no closer than 500m.

The vessel will maintain a listening watch on VHF Channels 12 & 16. Contact details are shown below.

Name	NORTHERN VICTORIA
Image
