

NOTICE TO MARINERS

Date: 09/07/2026

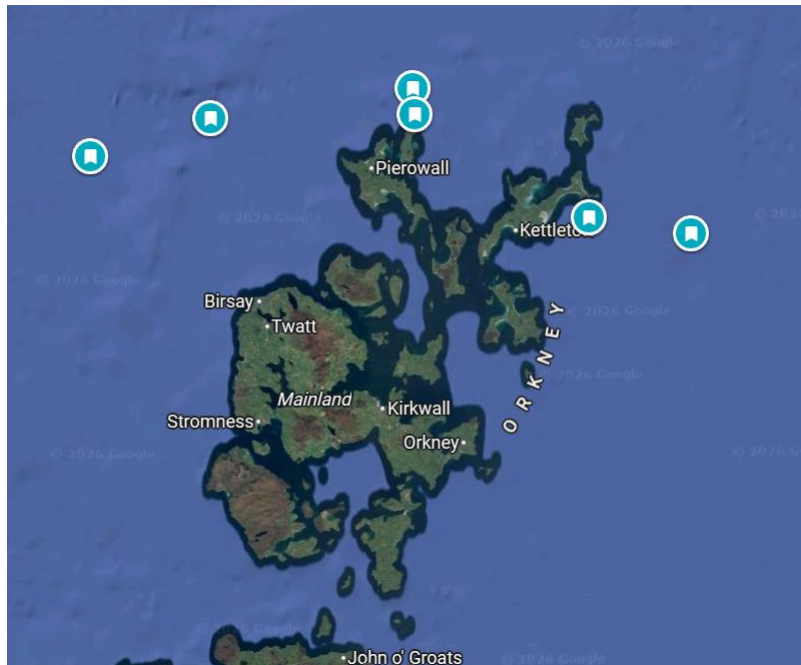

To: All Mariners and Navigational Authorities

Subject: Sediment sampling off Papa Westray, Sanday and NW Orkney MPA

Dates: 3rd-8th August 2026

Activity: A maximum of 0.012m³ of sediment will be collected using a multicorer at each of six stations (coordinates below), between the 3rd and 8th of August 2026. This activity will take place aboard the Leask Marine vessel C-Force.

Station	Lon	Lat
MPA1	-3.43148	59.38826
MPA2	-3.75729	59.33335
Papa1	-2.8748	59.39349
Papa2	-2.87993	59.43004
Sanday1	-2.12169	59.22363
Sanday2	-2.39965	59.24843

This Notice to Mariners is issued for the safety of navigation in the specified area. Mariners are advised to exercise caution and follow any additional instructions provided.
